New Business

Dr. Fallat

Discussion:

EMSC Grantee Meeting Plans:

- This year's meeting is in Washington, DC and will be held June 20-22. We will be sending three representatives. T. Taylor will attend. We need to select the other two representatives.

Targeted Issues Grants:

The subcommittee discussed the possibility of applying for this grant. Targeted Issues Grants are outcome oriented. Any topic we choose must take this into consideration. Possible topics would include:

- ATV training and safety
- EMS preparedness and response to recreational areas.
- Asmatic children in school
- AED use, training, and protocols in schools.

We should find out what the research agenda is for the coming year and then decide on a topic.

Changes to American Heart Association (AHA) Guidelines:

- What is the schedule for the rollouts and where will they be held.

SCOPE:

- The SCOPE textbooks are now available, however there are no teaching materials (Power Point, Video, etc.).
- We should be prepared to produce these teaching materials on our own. If we decide to do this we need to decide how it will be funded and completed.

KBEMS Terms:

- Dr. Fallat's term on KBEMS is due to expire this year. Dr. Fallat will compile a list of possible replacements. Dr. Fallat will remain as KYEMSC Chair.

Upcoming Trauma Stakeholder's Conference:

- Feb. 28, 2006 is the cutoff date to register for the conference.

Action items:

- T. Taylor will email the subcommittee to inquire about member interest and availability to attend the Grantee Meeting.
- Find out what Targeted Issues Grants are available and send the information to Dr. Fallat.
- Find out the rollout schedule for changes in AHA and post to KBEMS web site.
- Order SCOPE textbooks

Meth Update**Dr. Pollack**

Discussion:

- Dr. Pollack distributed the current national standard for children found in Meth labs.
- There is a 24-hour consult service for Physicians. The number is 257-5522.
- The newest standard has changed from wiping children down to washing them off.
- M.D. Gupton volunteered to represent the subcommittee on issues related to meth exposure.

Action items:

- T. Taylor will put M.D. Gupton in contact with Holly Hopper.
- Compare our current guidelines with the national protocol and adjust our guidelines accordingly.

School Nurse Course Wrap Up**Karen & Tom**

Discussion:

- This training was the first time registration was stopped after two weeks due to the popularity of the course.
- Missing course information was posted to the KYEMSC web page.
- Those persons who did not receive a textbook were identified. Textbook or CD copies of the text were mailed to those students.
- The KYEMSC Year Three Budget has been adjusted to include another class. The time and place of this next class has yet to be determined.
- Schools need support to train and maintain their AED Programs.
